Seabrook Station  
Notice of Intent to Pursue License Renewal

Reference: NRC Regulatory Issue Summary 2003-02, "Importance of Giving NRC Advance Notice of Intent to Pursue License Renewal," dated February 3, 2003.

In the referenced Regulatory Issue Summary, the NRC describes the importance of providing advance notice of the intent to pursue license renewal. The purpose of this letter is to inform the NRC that FPL Energy Seabrook, LLC has decided to prepare a license renewal application for Seabrook Station and plans to submit that application in the second quarter of 2010, which corresponds to the third quarter of NRC fiscal year 2010.

If you have any questions regarding this information, please contact James M. Peschel, Regulatory Programs Manager, at (603) 773-7194.

Very truly yours,

FPL Energy Seabrook, LLC
